

Figure 1 is a screenshot of the 'Advanced Schematic Editor [version: 3.1]' software interface. The interface includes a title bar, a menu bar, a toolbar with various icons (22), and a main workspace (20). The workspace displays a schematic diagram with a component labeled '329_9477' (24). Below the component, there is a table (25) with columns 'Net Label' and 'Description'. The table lists several nets and their descriptions, including '1834_7819 IN', '2511_7084 IN', '329_9477 IN', '231_9591 IN', '4707_4677 IN', '1514_8167 OUT', '5605_3718 OUT', '5859_3462 OUT', and '1469_R220 OUT'. A search bar (26) is located above the table, and a 'Close Info' button (27) is visible.
